# STRIPPING THE TOWN BARE SINCE 1979

Some TV rises above the format to the extent that the characters become unforgettable people in our lives—or at least they feature babes we'd love to bang! Here at *Skin*, one such show will always be *The Sopranos*, HBO's riveting, superbly cast and written series that set the standard for quality TV—and *quantities of T&A!* If you, too, used to lunge for the remote when the nudest thing on TV was Sipowicz's fat ass on *NYPD Blue*, you'll savor the sight of *Michelle Borth* (third from top) gettin' her "special place" sucked on a weekly basis on sex-centered *Tell Me You Love Me!* More jack-happy joy abounds in this new, nuder *Skin* with *Arlet Kiley* (right, second from top) as the Bing Girl who gets it *bad*. *Eva Mendes* (far right) owns all our nights, *Isla Fisher* (top right) makes us wanna *lick* her, and all-natural eros-angels *Erica Campbell & Aria Giovanni* (bottom right) demonstrate just how much dazzlingly *do-able* flesh we've packed into these pages!—PEPPER P.

This month's **Skin** brings you every shape of brazen, brand-new, boldly bared bodies yer *flesh-torpedo* can take, so—prepare to make aim (and probably "glue" a few of these pages together in the process!!)

## ISLA FISHER

**FROM HER LIPS:** "I love the power women have. I think women rule the world because they rule men. Manipulating men—that's our job. That's what we're on the planet for."

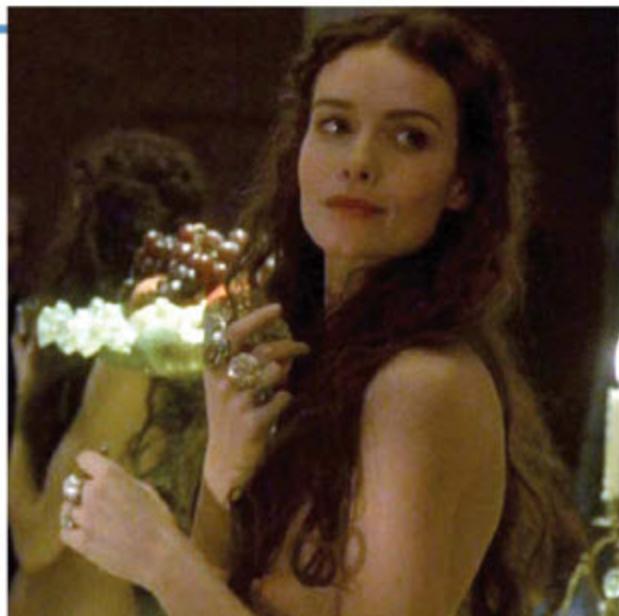

**SEXY SIGHTINGS:** In *Wedding Daze* (2006), spread this classic, redhead beauty with the gorgeous mane of *do-me* hair, heart-shaped face, long-lashed bedroom-eyes and luscious body plays vivacious Katie. Anderson (Jason Biggs of *American Pie* infamy) proposes to her on a whim...never expecting her to say, "Yes!" Talk about liking the cow, wondering about the milk—and getting both before you even get a sip from a nipple! *She-nanigans* ensue.

**"ISLA" SEE YA IN YOUR WET DREAMS!:** If this (ogle above) is as bad as it gets when you marry a stranger and hilarious hijinks follow, we'll take the hilarious hijinks, the wacky in-laws and, best of all: Isla making a man's shirt make us *rock-hard*.

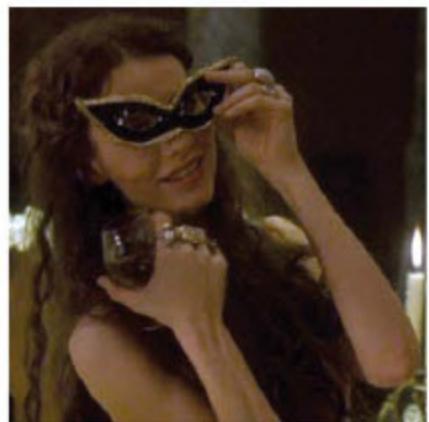

# FRESH FLESH

## SAFFRON BURROWS

**BORN:** October 21, 1972, London, England, UK

**SEXY SIGHTINGS:** *Klimt* (2006, spread), biopic/phantasmagoria of the incomparable Austrian Symbolist/Art Nouveau painter, Gustav Klimt, would be baffling without Saffron as his muse, sex-driven vixen Lea de Castro. Though not curvaceous by any stretch, her angularity and sexual rawness make her eye-catchingly credible as the nympho who inspired Klimt to lift his paintbrush—and also put the *lift* in his *Vienna sausage!* Six-footer Saffy reportedly prefers the ladies, herself, and dates a British actress who's almost 20 years her senior! In bed, she's...*Sapphic Burrow-ing!*

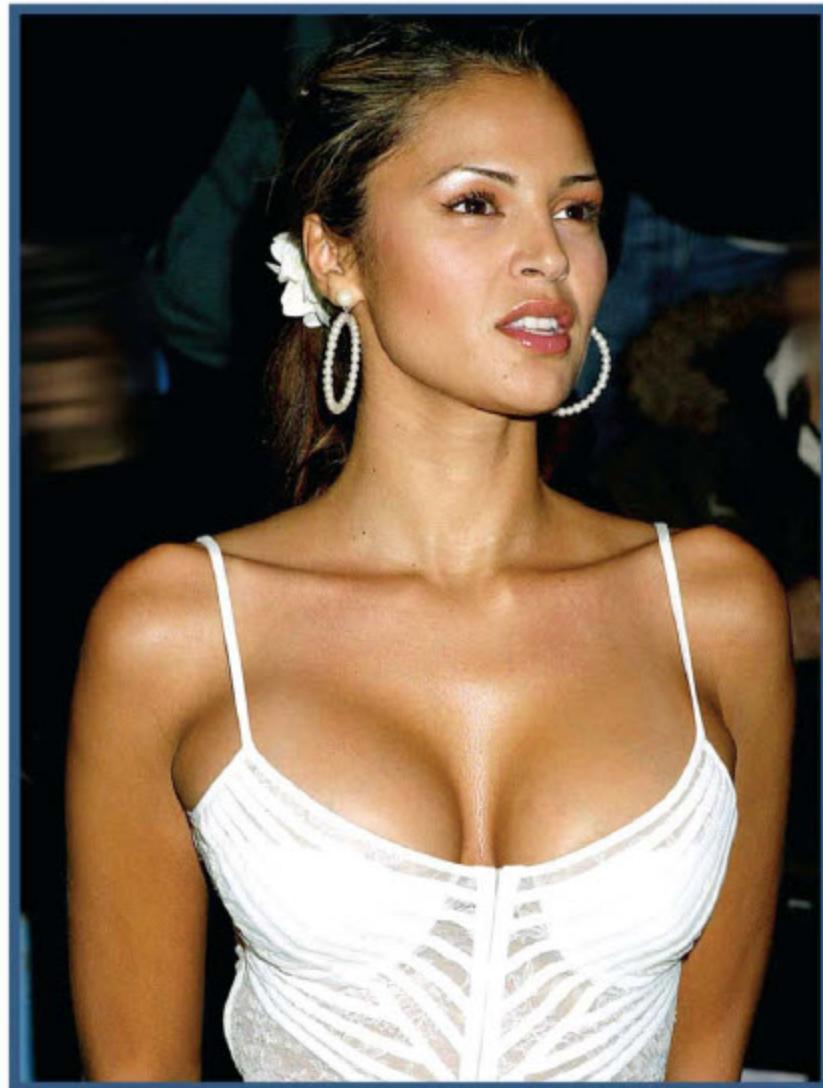

## VERENA MUNDHENKE

**BORN:** April 9, 1978, Frankfurt am Main, Germany

**SEXY SIGHTINGS:** Frank eroticism and an obsession with the female form; father of at least 14 kids; gold-leaf phallic shapes; dominant women/femmes fatales as his primary subject matter; deemed pornographic during his lifetime—all of this and more conveys the essence of Gustav Klimt, as well as *Klimt* (2006), in which voluptuous Verena shows off her nearly luminescent, nipple-tipped *orgasm-orbs* and *peach-fuzzed pudenda* as Lili, one of countless models (many of them prostitutes) who willingly posed for Klimt in any erotic position his prick and paintbrush pleased!

# FRESH FLESH

## GABRIELLE RICHENS

**BORN:** September 14, 1974, Kent, England, UK

**SEXY SIGHTINGS:** With her 34D jugs and the cocoa-brown, thoroughly suckable nipples that adorn them, she ain't nicknamed "The Pleasure Machine" for nothin'! As Sylvia in coed-bloodletting spoof *Hack!* (2007, spread), this statuesque, half-Brit/half-South African and decidedly *unwholesome* goddess joins wholesome Danica McKellar ("Winnie" of *The Wonder Years!*) as the requisite bunch of horny college kids, "randomly selected for a field trip to study wildlife," visit a wooded isle, get wood—and encounter every teen-horror-movie cliché ever screened! Gorgeous Gabrielle brings the sex-induced saliva to this tits-'n'-terror version of *Survivor!*

**NOT-A-STITCH RICHENS:** Gabs is all about *outdoor ecstasy!* She competed on *Celebrity Survivor* and "fesses: "I'm always nude. When I was a little girl my mother would always have to dress me because I was quite good at taking my clothes off."

# FRESH FLESH

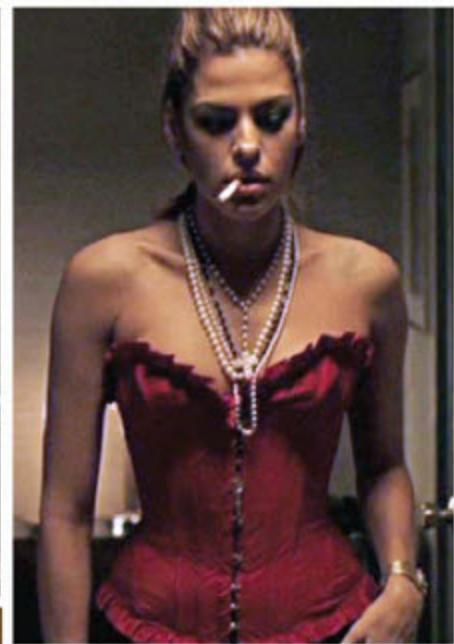

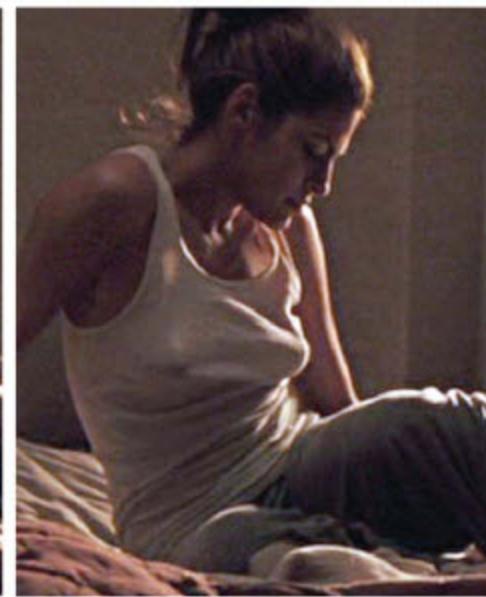

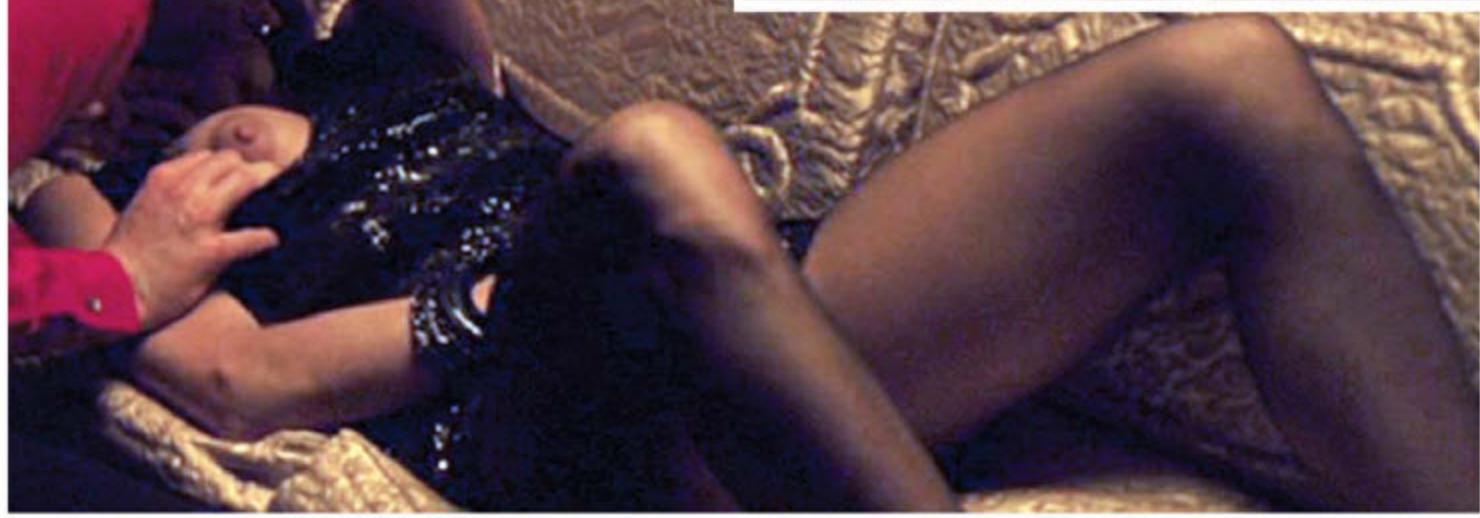

## EVA MENDES

**FROM HER LIPS:** "It's fun to flirt...and have boobs."

**SEXY SIGHTINGS:** This va-va-voom vision of lusty, luscious Latina loveliness has us slack-jawed and drooling at the mere sight of her saucer-sized, cinnamon-dipped areolas and mouthwatering *gumdrop-nipples!* She gives us *Brooklyn-sized "bawls"* with her sexbomb serenade as Amada in *We Own the Night* (2007, this page & opposite, top & middle). The plot? 2 brothers. One's a cop. The other manages a club where drugs are dealt. He also gets to suckle Eva's *salsa-sacks* and sex her senseless, so we've come to the *cum-clusion* that crime does pay—in plump-petaled, pumpable *poon!*

**EVA FEVA:** Joaquin Phoenix's club manager character owns the night, but as Amada, Eva reaches down and takes possession of the treasure inside her tights! As Sara in *Training Day* (2001, above), she took it from Denzel till he was *Done-zell*!

# FRESH FLESH

## MONICA BELLUCCI

**BORN:** September 30, 1964, Città di Castello, Perugia, Italy

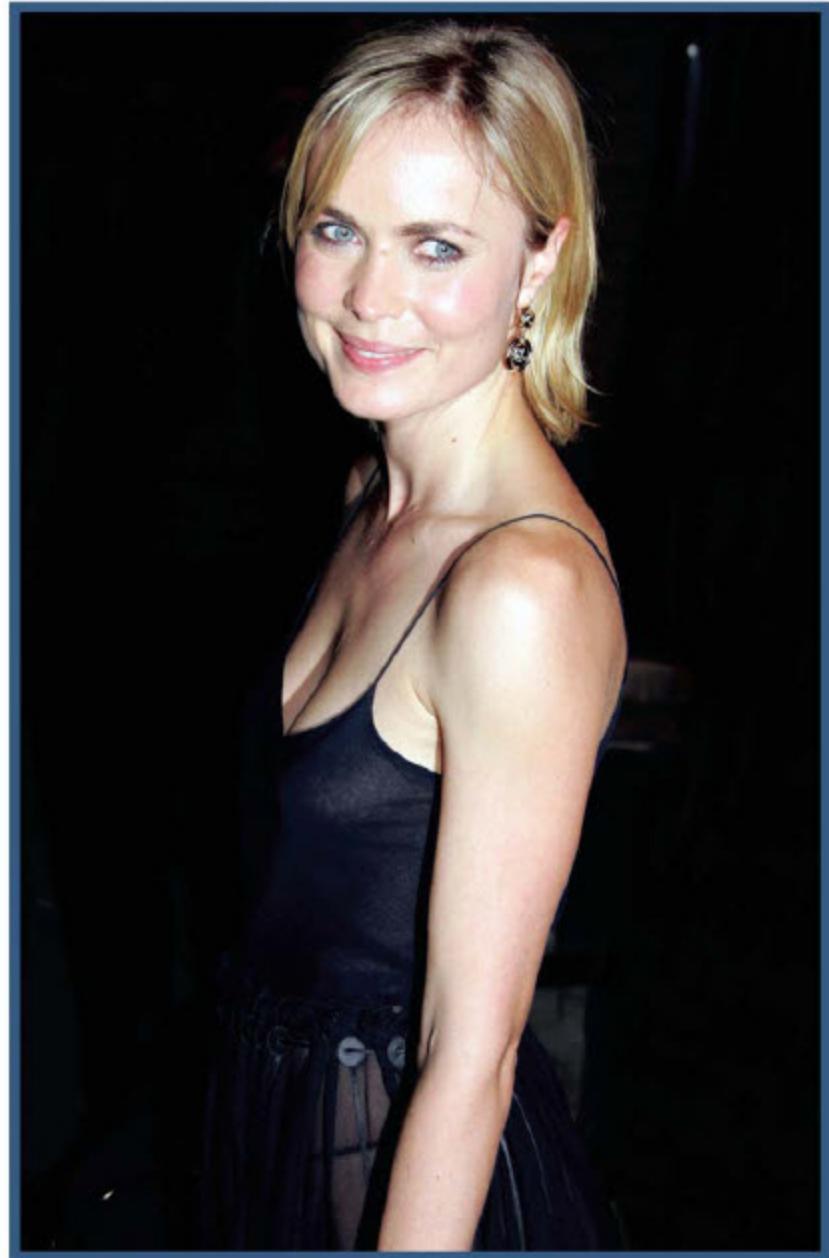

**SEXY SIGHTINGS:** Without question Europe's most carnally luscious sex-port since Claudia Cardinale & Brigitte Bardot, *bella* Bellucci, possessor of the most perfectly heart-shaped lips and *ass* ever, found film immortality in *Irreversible* (2002, opposite, top and middle), the *hugely* controversial and notorious time-reversal shocker. *Shoot 'Em Up* (2007, this page) features Monica as DQ (requisite hooker-with-gold-heart), moaning in time with Clive Owen's sex drive in a hardboiled and *hard-balled* actioner. Screwing during a shootout? Yes! Load your gun and prepare to empty it!

**BOOTY-LLUCCI:** Her 35Cs are *sucktastic*, but *Under Suspicion* (2000, above right) and *Malèna* (2000, above left) have men under seduction to her plump rump! A sexual sphinx, she says: "After love, the man sleeps, while the woman reflects."

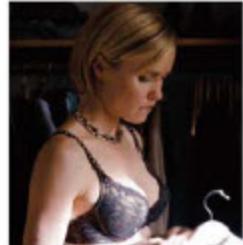

# FRESH FLESH

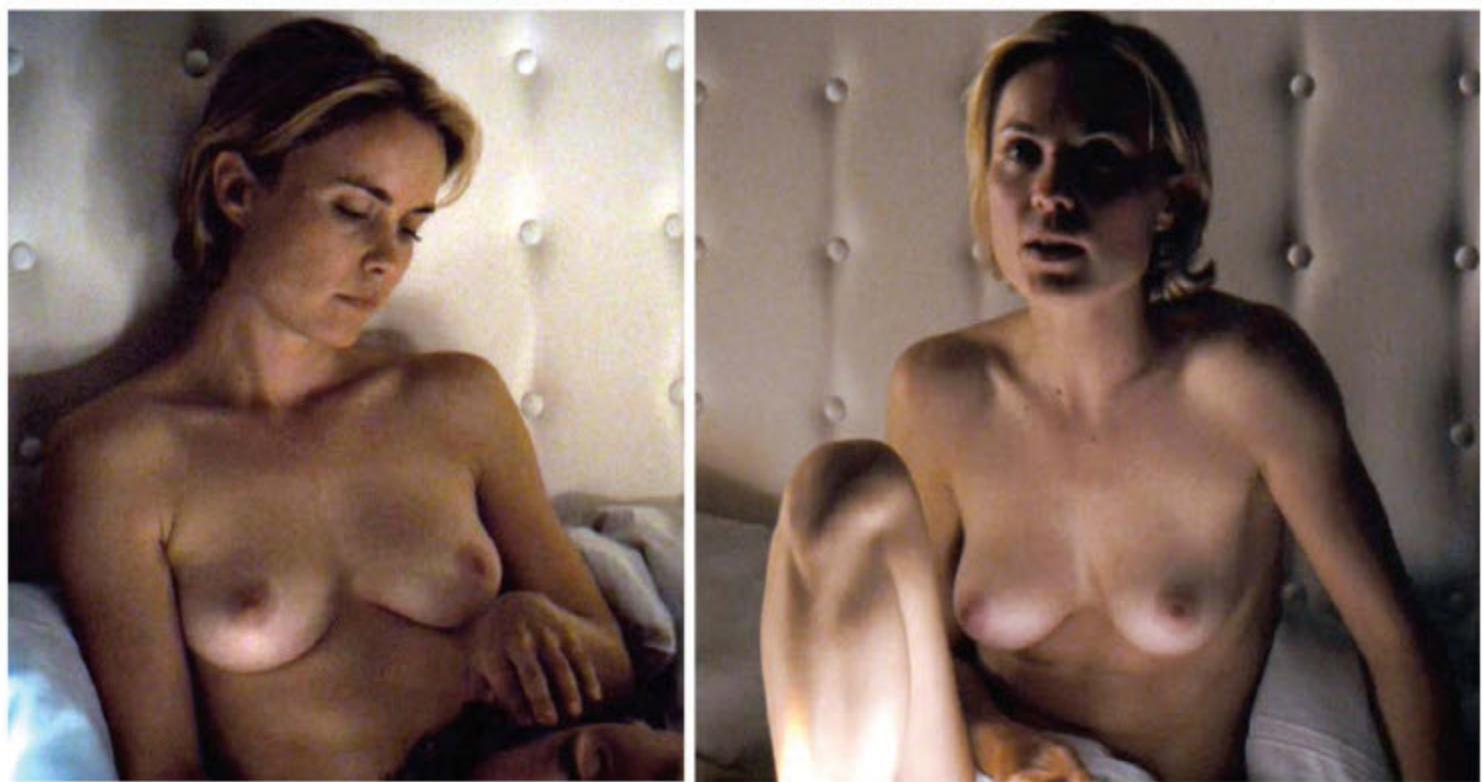

## RADHA MITCHELL

**BORN:** November 12, 1973, Melbourne, Victoria, Australia

**SEXY SIGHTINGS:** What you get with a "hippie-ish" upbringing: Radha-Rani Amber Indigo Anunda. That's her full name, so you'll understand that she dropped the "Rani" after starting school, where a kid asked her if her name was "Macaroni." Speaking of pasta, this azure-eyed Aussie will have *the butter drippin' off the end of your noodle*, per her performance in *Feast of Love* (2007, spread). Playing Diana, a real estate agent who smokes organic cigarettes, she has an affair with Greg Kinnear's married character and gets stripped down for the organically *orgasmic* process of foolin' around!

**BUSHWHACKER BABE:** *Feast of Love* has tons of full-frontal nudity in it—our *main-vein* reason for recommending it as your next *pud-pullin'* purchase! Above, as Diana, Radha-Rani's plush punani gets "a visit" from her "in-and-out boytoy!"

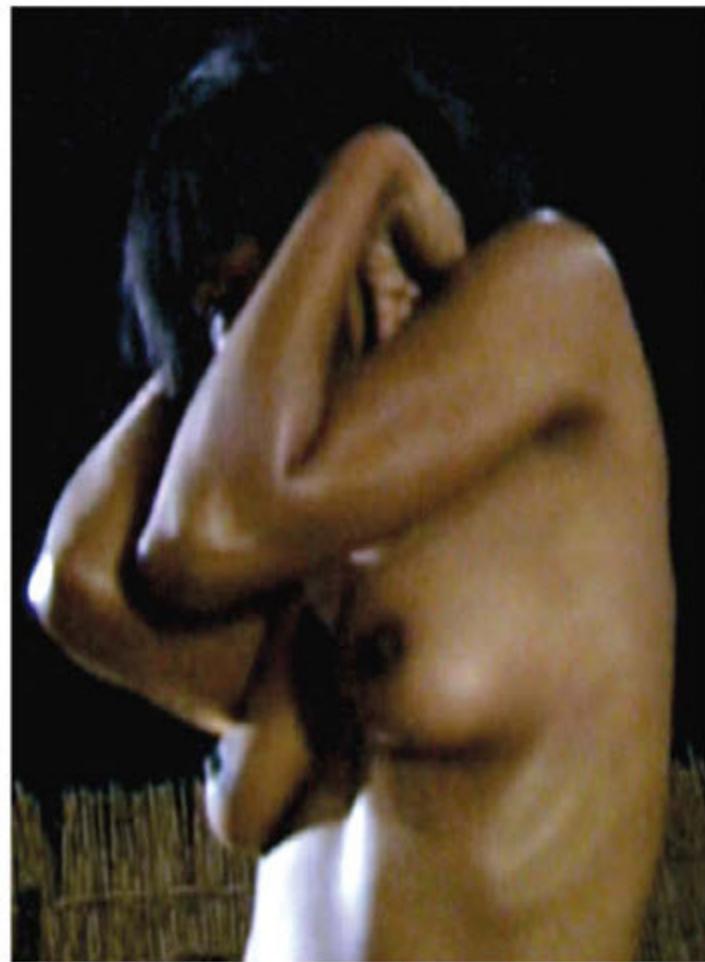

# FRESH FLESH

## DAWN MATTHEWS

**SEXY SIGHTINGS:** This lusciously original and all-natural beauty is a huge soap star in her homeland, where she played a foxy-as-hell female named Shakira on *Scandal*, South Africa's fastest-growing soap. A feisty goddess with flapjack titties, dewy skin, *dick-lightful* lips and long legs made for spreadin', we feature her here in *Snake Island* (2002), where she plays Lisa. When asked what she'd never do: "Act with a snake. I actually did that once, while I was acting in this indy American movie, called *Snake Island*. No matter how prepared you think you are, you just never know with a snake!" Especially true of a trouser-snake, Dawn!

**PREPARE TO GIT FANG-BANGED:** If you watch all those man-vs.-nature/how-to-survive-in-the-wilderness shows on cable, then you realize that Dawn undressing and dancing rhythmically is just begging for a puss full of pissed-off pythons!

# FRESH FLESH

## EVAN RACHEL WOOD

**FROM HER LIPS:** "And crazy, by the way, is the highest compliment I pay. Manson is definitely crazy. Hopefully I am, too." (On her boyfriend, Marilyn Manson)

**SEXY SIGHTINGS:** Yup. Rachel's the girl who reportedly sparked the divorce between retro-goddess Dita Von Teese and super-freak Marilyn Manson. She must be musically or *muse-ically* inclined, cuz here she is in "that film with all The Beatles' songs," *Across the Universe* (2007), which is like a psychedelic, fairytale-surreal music video journey through the Vietnam War era. Evan plays Lucy, not in the sky with diamonds...but sportin' some *diamond-hard nipples!*

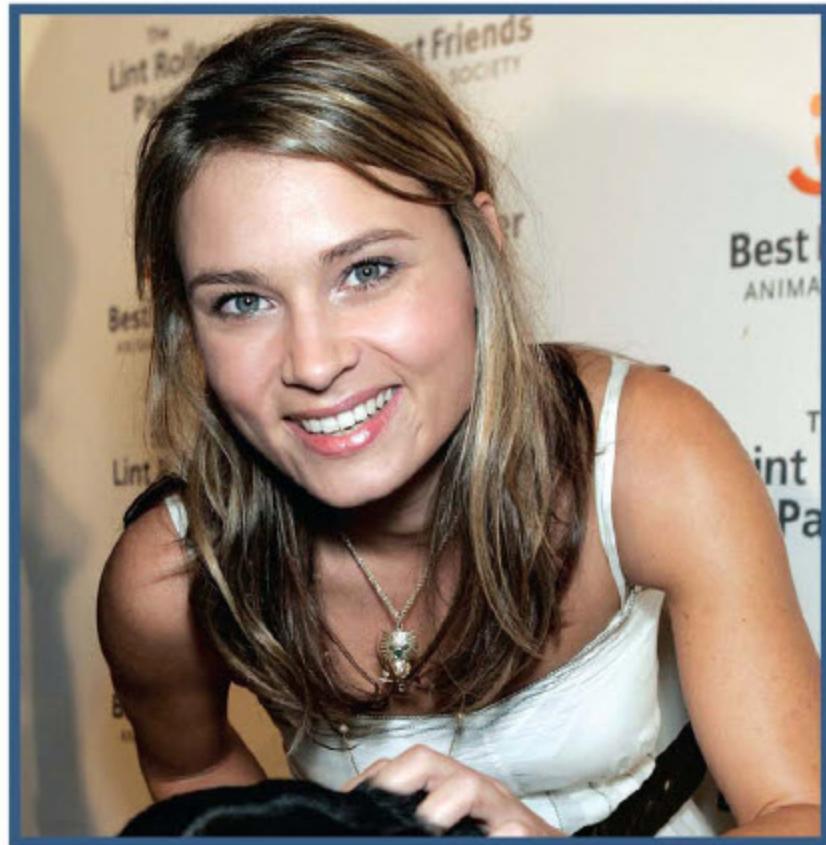

## HANNA HALL

BORN: July 9, 1984, Denver, CO

**SEXY SIGHTINGS:** As Judith Myers in Rob "20 More Jugs Of Fake Blood, Please" Zombie's take on the fright classic, *Halloween* (2007), Hanna "gets hers" on Halloween Night, 1963, to be *precise-as-a-Michael Myers-slice!* Young Michael butchers his mom's "old man," his sis (Judith), and Judith's date. He's promptly committed... and you know what happens 16 years later. The night of the bloodbath, Mom Myers' beau leers at Judith and drools, "Mmm. She's gettin' a mighty fine-lookin' dumper on her." *No wonder Michael turned into a thrill-kill maniac with those "family values!"*

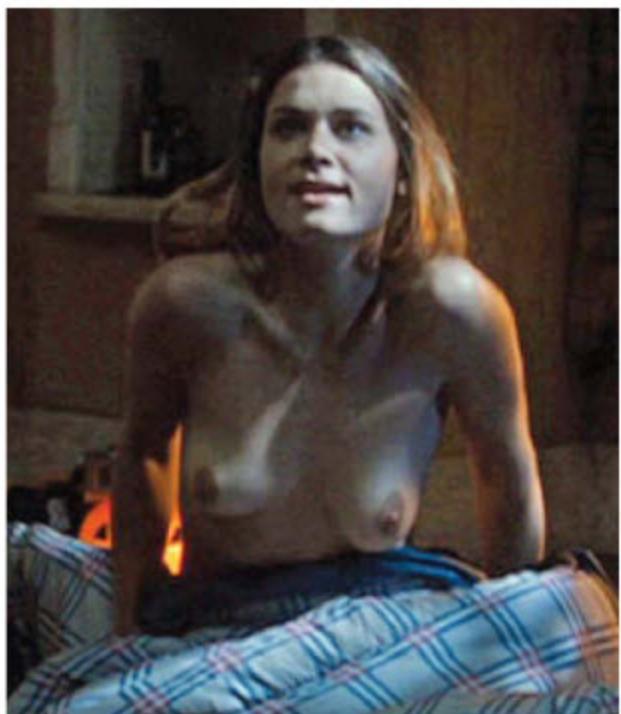

# FRESH FLESH

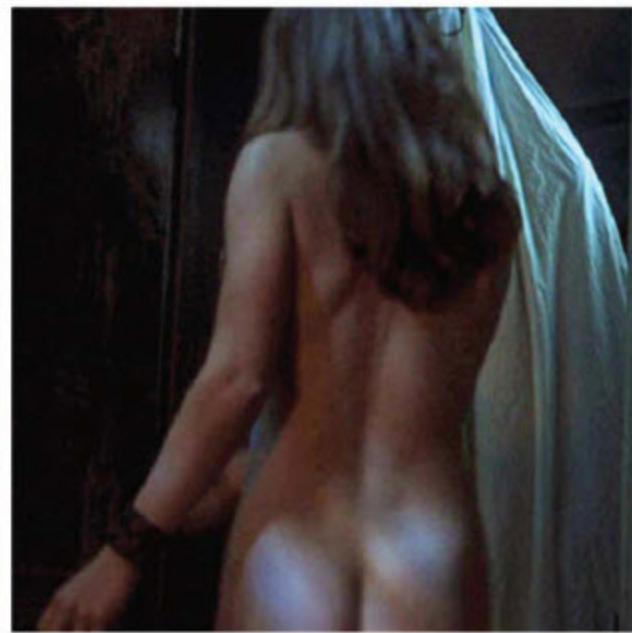

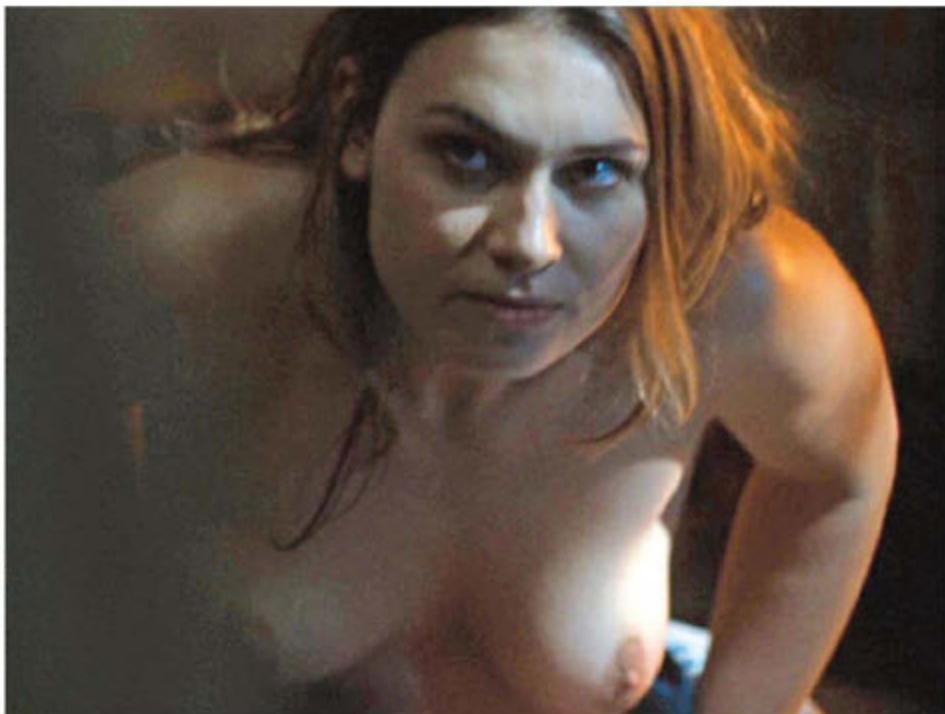

## KRISTINA KLEBE

**NICKNAMES:** Ksquare; Wolf Kitten

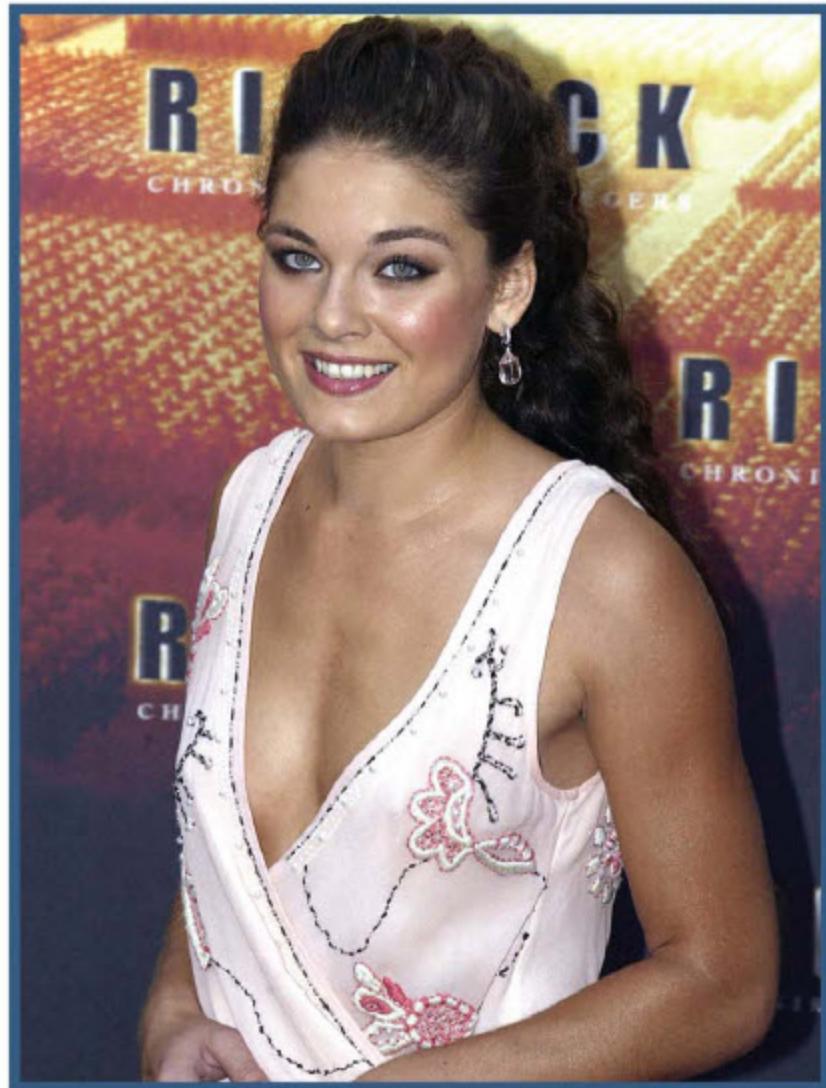

**SEXY SIGHTINGS:** Rob Zombie's gore-galore remake of horror masterpiece, *Halloween* (2007, spread), features eye-catching Kristina as Lynda, one of Laurie Strode's guy-crazy gal pals. Assuming you haven't been institutionalized for the past 30 years and you saw the first version, you know that once Michael Myers comes back to town and realizes that Laurie is his long-lost little sis...Laurie's gonna be fightin' for her life—and her naked, nymphette friends don't have long to live, much less *lick!* Thankfully, these girls are far more concerned with being young, dumb—and filled with cum!

**HELLO-WEENIE!**: As Lynda Van Der Klok, Kristina plays the kind of babysittin' bimbo who puts the kiddies to bed straight away, pops open a brewski—and settles in for a night of "Van Der Klok & A Cock!" Too bad Michael Myers has no sex skillz.

# FRESH FLESH

## ALEXA DAVALOS

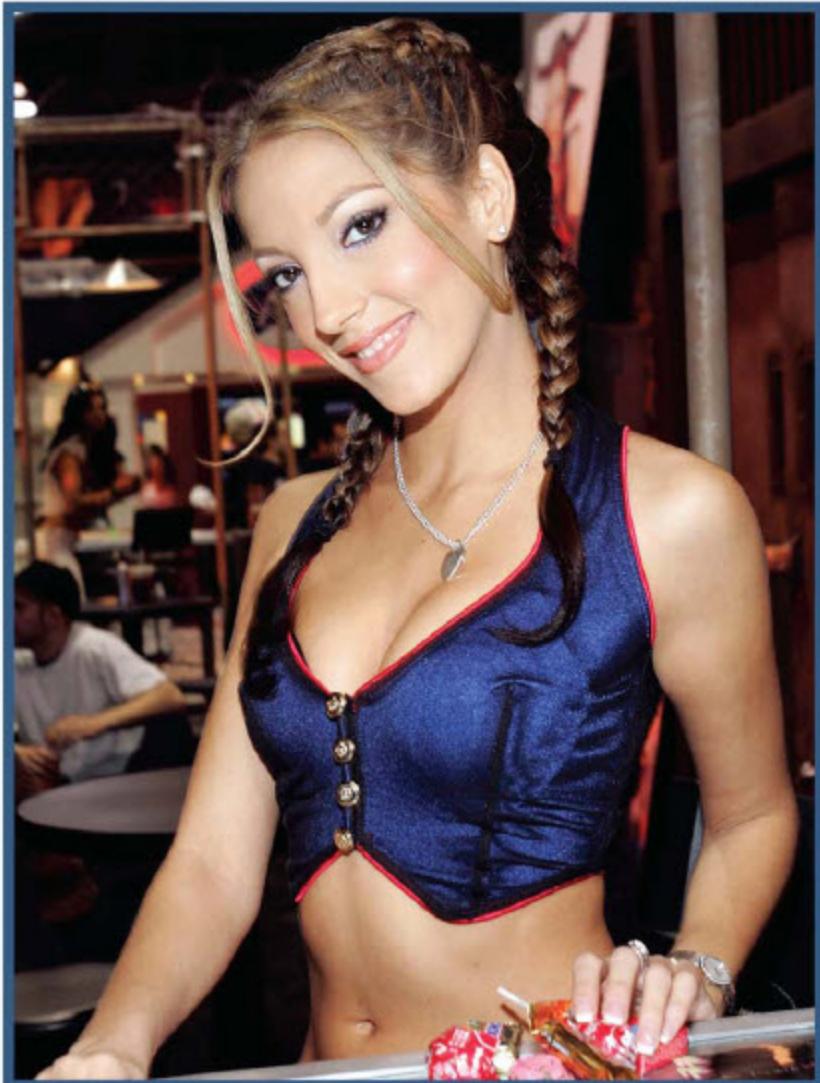

**SEXY SIGHTINGS:** This former model is the granddaughter of Richard Davalos, who played Aron opposite the late, great James Dean's Cal in American-epic, *East of Eden*. Like Drew Barrymore, she's Hollywood to-the-manor-born, lively and lovely, and, as seen here—very comfortable doing nude scenes and showing off her lithe lovechild body! Of Greek and French ancestry, she has the primal appeal of Helen of Troy...and berry-stained lips just *made* for sucking! Seen here as Chloe in *Feast of Love* (2007, spread), she plays a pure, true coffee shop girl with a mane of "sex hair" that's almost as alluring as her thick, but trimmed, *muffin muff!*

**DAVA-LICIOUS:** She survived Vin Diesel playing Kyra in *The Chronicles of Riddick*, so thankfully, *Feast of Love* gives her a break and lets her character get down and dewy with plenty of Earth-bound ballin' (Oregon orgasms, to be prick-cise!).

# FRESH FLESH

## JENNA HAZE

**BORN:** February 22, 1982, Fullerton, CA

**SEXY SIGHTINGS:** How'd you like to "get your oil changed" by this former dipstick-wielder—and current darlin' of *deep-dicking*? Before the industry made her a Cali-girl cooze-queen, Jenna worked in fast food and auto body shops—there's nothin' this *autoerotic hottie* can't handle! In *laughs-about-shootin'-loads* cult comedy *Superbad* (2007, this page upper right and lower left), Haze became a *mainstream craze* as "Vagtastic Voyage Girl #2," proving herself a "hilly Jill-of-all-trades" by permitting a *superdork* to suck on her juicy bubblebutt! Now there's a meaty part—fer yer meatiest part!

**HAZE IS DA CRAZE:** Worshipped by legions for performing some of the hottest girl-on-girl *goo-work* lensed today, joytoy Jenna is also a rare *cum-modity* cuz she's keepin' it real with her natural-brown hair and *real*, perky 34Bs! A-Maze-in'!

# FRESH FLESH

## AURORA SNOW

**FROM HER LIPS:** "Most people are happy that I'm natural. It's a good thing because I'm scared of needles; I can't even get a tattoo or piercings."

**SEXY SIGHTINGS:** We have Jenna Jameson to thank (down on our hands and knees, *please!*) for urging *asstastic* Aurora to share her pale-pink-nipple-tipped *Snow-balls* with you, me and everybody! From *We Go Deep 11* to *1 Night in Jail*, she's one of the most in-dick-mand and "un-boobjobinated" adult actresses in the biz. As "Vagtastic Voyage Girl #1" in horny-teen insta-classic *Superbad* (2007, this page), she joins Jenna Haze for a...*van-bang!*

**STATUE OF LICKIN'-ME!**: She's very naughty, but—gag-factor talents aside—she's a genuine (right down to her boobs!) sweetheart who's as all-American as...porkin' an apple pie! Contact her at [myspace.com/missaurorasnow](http://myspace.com/missaurorasnow).

# FRESH FLESH

## MALIN AKERMAN

**BORN:** May 12, 1978, Stockholm, Sweden

**SEXY SIGHTINGS:** This sun-kissed Swede is our new fave blonde—a healthy, happy and *all-natural* beauty with that elusive-hottie-quality: a sense of humor! Think of her as Carole Lombard crossed with Charlize Theron and you'll be *aching* for Akerman sex-stasy! In *The Heartbreak Kid* (2007, this page) she plays Lila, the dream woman Ben Stiller's character weds after only 6 weeks—no doubt thinking married life will be like *Nine 1/2 Weeks*! She turns out to be a  *dick-saster* with more baggage than *any* dude should have to handle—even if her *chest-baggage* is *tan-line-licious*!

**STACKED-HOLM SIN-DROME!:** No man can resist *Viking vulva!* Additionally, top to bottom, Malin's top AND bottom add much to *The Brothers Solomon* (2007), *The Comeback* (2005) and *Harold & Kumar Go to White Castle* (2004, bottom)! Skål!

# FRESH FLESH

## TANG WEI

**SEXY SIGHTINGS:** Maybe you think you're not into so-called "foreign films." But this one—*Lust, Caution* (2007, spread)—is rated NC-17, and it's the first NC-17 f\*\*k-fest flick to be widely released in the U.S. since *Showgirls*. The nonstop fleshy-fortune cookie-nookie happens during WWII in Shanghai under Japanese occupation, based on a real-life incident that took place in 1939-1940. As Chinese students plot to kill a member of the Japanese collaborationist government...plump, *pink-wonton* is the lethal lure! The very explicit, rapacious sex scenes were filmed during 11 days (100 grueling, gooey hours, reported) on a completely closed set!

**TANG, WANG-BANGED:** Think of this movie as hours well spent with your mouth watering, watching *delicious dim sum* get porked to perfection! Tang's baby toe-sized, purplish nipples are also incredible! Feel yourself...“turning Taiwanese?”

# The Sopranos

Okay—so the ending was whack. *Va fa Napole* if you gotta problem with it, though, because the show whose swan song was Journey's "Don't Stop Believin'" is without question the most groundbreaking, epic and unforgettable show in TV history. We only wish it could've gone on forever, one gutsy, gorgeous goomah after another. We pay tribute to the series that made us wake up each morning...and wanna get ourselves a gun (or some gabagool!).

## FAMILY & FRIENDS

## DREA DE MATTEO

Drea as Adriana La Cerva fits the badass-babe bill in every respect (and with all due respect, *c'mon!*) as any made guy's dreamgirl. "Ade" grew up around wiseguys and is very savvy when it comes to "the life," what it means to be a made guy's *main muff* and, most important—how to look every inch the mouthwatering mafia moll. Niece of Jackie and Richie Aprile, she figures hugely as the girlfriend and eventual fiancée of Christopher Moltisanti, Tony Soprano's protégé and a Capo in the DiMeo Crime Family. Adriana truly loves Christopher and, as manager, turns his Crazy Horse club into a success. If only the FBI coulda left this T&A tough chick alone.

## JAMIE LYNN SIGLER

As Meadow Soprano, daughter of Tony & Carmela, Jamie-Lynn is your typical Italian-American princess, only—this one not only likes to shop, but also has a brain! She's wise to her father's wiseguy ways, and since she's civically minded, she constantly questions the life her family leads. Her FBI code name is "Princess Bing," and her curves make salamis go *schwing!*

## EDIE FALCO

If you think Tony pays the cost to be the Boss of the DiMeo family—watch the series again and see the toll la Cosa Nostra-living takes on his long-suffering, beautiful wife, Carmela. A deeply troubled, complex woman, as played by Edie, Carm's nothing short of a mesmerizing sphinx...a wife and mother who *always* puts family first, yet hides a sex-siren deep inside....

NUDE IN: *THE QUIET*

## LORRAINE BRACCO

If all shrinks were as hot as Lorraine is as Tony's psychiatrist, Dr. Jennifer Melfi, we'd spend time on her couch, letting her shrink our heads as we schemed various *sleaze-narios* toward gettin' our "little heads" *inside of her!* As is, Dr. Melfi probably understands Tony the best—which explains why she's alternately drawn to, and then repulsed by, him. *Che peccato!*

NUDE IN: *DUOS SUR CANAPÉ*

## The Sopranos

## GOOMAHS & STRIPPERS

Though Tony's universe is very much a man's world, there are many *heavenly bodies* perpetually within his orbit! Some of these femmes fatales, like the ones shown previously, are vital women who dwell within the aspects of his hearth and home and get as close to Tony as he allows any broad. *Goomahs*, however, are a whole different calzone! "Pump and dump" means one thing to unethical traders—and another to ethic-less wiseguys!

## OKSANA BABIY

Oksana plays Irina Peltsin, Tony's Kazakh, comely, "cum-&-go-conveniently," kept *goomah*. An unabashed gold digger, Irina attempts suicide when Tony refuses to commit to her (Hey—at least he gives her a bag of money for her troubles!). Tony likes her *Kazakh-style cock-play*, but a commitment is "outta da question," and he dumps her ass once she starts calling his house and harassing Carmela. Still, true to form—"once Tony's, always Tony's"—so even though it's over, he belt-whips her next beau in front of her—just to humiliate the *sloppy-seconds strunz*!

## LESLIE BEGA

Leggy, big-lipped Leslie plays Cubana *comare* (a.k.a. *goomah*) Valentina La Paz. Initially, she's Ralph Cifaretto's cooze, but then she meets Tony at Hesh's horse stables and—*bada bing bada boom*—next thing ya know, Tony's stuffin' his *al dente rigatoni* into her zesty *minestrone!* Then that thing happens—ya know—with the scrambled eggs and the fire. *Madonn'!*

## ARIEL KILEY

Ariel is hot-body/dim-bulb Tracee, a dancer at The Bada Bing!, the go-go bar chiefly owned and operated by Tony's *consigliere*, Silvio Dante. Tony keeps an office there and a lot of major *agita*-making situations go down at "The Bing." Tracee (a single mom who gets knocked up by Ralph Cifaretto) gets a lesson in "parking lot politeness" from Ralph that she never forgets.

## BERNADETTE PENOTTI

When Jackie Aprile, Sr. gets admitted to the hospital, at first they think he's got an ulcer. When it turns out to be "The Big C," his best buddy, Tony, knows wiseguys always goes out in style. Enter Bernadette as a stripper disguised as a nurse. Her "bedside manner" can't save a man's life—but it can definitely make him see God before he's even dead!

# THE TUDORS

"It's good to be da king!" And perhaps no other royal rogue had more fun givin' his skin-scepter history-making (*literally*) workouts than King Henry VIII (Jonathan Rhys Meyers)! His life and many lusts make up Showtime's bodice-rippin' series, *The Tudors*. We could get all "history class" on ya, but this is *Skin*, so we present: the hooters and booties of the Tudor Age, when a king with a wandering eye handled his "divorce proceedings...via beheading!"

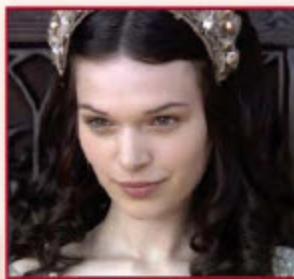

## NATALIE DORMER

Nat plays history's most successful cock tease, Anne Boleyn, an exotic beauty of noble blood who won't let horndog Henry pop her cherry till he vows to annull his first marriage and make her his queen. Put into pole-position by her father, Anne catches Henry's always-wandering eye at a masquerade. Her life at court initially consists of serving as a lady-in-waiting to Queen Katherine (Henry's *first* wife—and this duel-lovin' dude had *6* of 'em!). As Katherine fails to produce a son, Anne ma-nipple-ulates Henry till she's his official cock-consort! Have king by balls...will be queen!

# ANNA BREWSTER

Anna plays Anna Buckingham—a booty-rockin' blue blood we'd like to take to the land of *Suckingham!* She gets it on with Henry's Tudor-equivalent best bud/wing man, Charles Brandon. This doesn't sit too well with Henry, seeing as Anna's father tried—and failed—to assassinate him. Nonetheless, we can't help but lust Anna for taking such a regal-looking *rear-reaming!*

## RUTA GEDMINTAS

As lusty and leonine Elizabeth Blount, Ruta plays one of the fairest and most statuesque of Henry's *ladies-in-waiting-for-mating* lays, as he (like us!) prefers the bouncy, bountifully boobed and backsided, brazen brunettes! Though married, after many trysts playing "hide the royal skin-sword," mistress Lady Liz gives birth to Henry's first (illegitimate) son to survive.

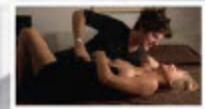

## RACHEL MONTAGUE

Rachel's a London-born model with a flat tummy that says, "*Cummy all over me!*" In *The Tudors*, she's credited simply as "Young Woman," though, judging by the rear-view of things, "*Buns Woman*" would be far more appropriate! Does Henry bang the ladylike manners out of her and turn her into his personal *cum Dumpster*? If you've gotta ask—watch *The Tudors*!

# TELL ME YOU LOVE ME

For HBO's most realistic, graphic depictions of sexual intercourse, oral sex, masturbation—and the rod-release of baby-batter—tune in to *Tell Me You Love Me*, whose cast spends most of its time in bed...showing more than telling! 3 couples with respective "intimacy issues" seek the help of a therapist, and since the therapist's screwed-up, too...more screwin' for all!

## MICHELLE BORTH

Michelle gets the distinction of having the show's most raw and so-real-but-yet-they're-definitely-simulated sex scenes. As *johnson-jumper* Jamie, she's a twenty-something line cook who breaks off her engagement with Hugo because she's got jealousy issues and has emotional ups-'n'-downs even more than she goes up and down on cocks! "You're like a human f\*\*\*king Valium," a friend remarks after trying to convince Jamie to have a *one-night ball* so she can get over Hugo. Alas, Jamie struggles with her persistent love for Hugo vs. her passion for plural penises in her puss!

## SEX-PACKED TV: HOTTEST BABES ON THE BOOB TUBE!

### ALLY WALKER

Ally plays Kate, the angular, forty-something, middle-class MILF of *Tell Me You Love Me*. Married to Dave—and not satisfied with him in the bedroom, much less anywhere else—she's a graphic designer who works part time from home so she can raise the kiddies properly. Of course, somewhere along the way, in the midst of all of her responsibilities, she stopped being the primal woman full of irrepressible sex needs who captured Dave's heart. More to the point—they haven't had sex in more than a year, and Dave has world-class blue balls! Orgasms are needed all around, STAT!

## SONYA WALGER

Sonya's soft, plump, round *surplus suckables* are no doubt one of the *breast* reasons for tuning in to this show, which watches like sex therapy-meets-*Skin-emax*. As Carolyn, a thirty-something (and, boy—she is *something!*) lawyer, she's very successful and in love with hubby Palek. Unfortunately, Carolyn's clock is tickin' away like a time bomb and her obsession with getting knocked up is not only taking a toll on her marriage—but draining Palek of valuable baby-batter! The problem isn't that Caro and Palek aren't bangin' enough; they're bangin' under way too much *preggers-pressure!*

# BIG LOVE

The wearing of "The Garment." Molded salads made with green Jell-O. Celestial marriage. Temple sealing. All of this and, most important—the *prick-pleasures* vs. *rod-rigors* of plural marriage—are revealed on HBO's *Big Love*, a drama about a Utah Fundamentalist Mormon family. Think it's all fun and games with Dick's *industrious dick & Janes*? Think again!

## CHLOË SEVIGNY

Chloë is Nicolette "Nicki" Grant, "second wife" of home improvement store chain owner Bill Henrickson (Bill Paxton). As Mormon wives go, Nicki's "the conflicted one,"—\$60,000 in debt, but also the daughter of Roman Grant, prophet of the Juniper Creek Compound. She's a shopaholic, into braids and modesty, very loyal to plural marriage, deeply suspicious of "the outside world," and a pain in *all* the asses of Bill's other wives. She met Bill through babysitting for him and his *first* wife, which shows how this *priss-with-a-prairie-puss* operates! If she could shop for cock—she would!

NUDE IN: GUMMO

## JEANNE TRIPPLEHORN

Juggy Jeanne plays Barb, Bill's first, and eldest, wife. Raised outside of polygamy, she was near death with cancer when Bill married #2 wife, Nicki! Isn't that *cum-venient*? A.k.a. "the head sister-wife," Barb's the smartest, the one with the coolest head and, in many ways—the sexiest. She's not so young, but think of her as a *Mormon MILF* and you'll get the *tribe-vibe!*

NUDE IN: *BASIC INSTINCT*

## GINNIFER GOODWIN

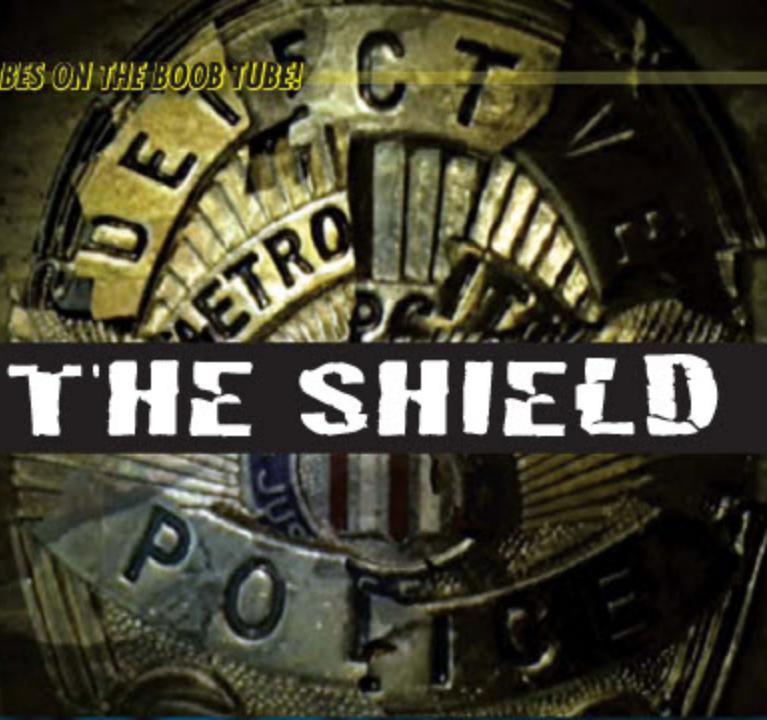

If your third—and youngest—wife has the unfortunate country-cornpone name of Margene...you gotta just pray that she knows how to milk the *ween!* Fortunately for "family man" (understatement of year) Bill, *fun-to-ream* Margene, played by Ginnifer, ain't too Mormon to refuse to get raunchy and let her man make her *scream!* Just call her..."Big Spanker!"

## RACHEL AVERY

If you've got two wives already and you wanna "try out" a third, your cock'll crave a hang-up-free blonde like Rae, played by Rachel, who's so comfy with her nubile, all-natural titties that she meets her possible future *nephew* while totally topless! When husband-of-three Bill first meets her, she's toweling off after giving his uncle some *afternoon dick-delight!* Amen!

"FX has the movies"—and some of the bounciest boobies on TV! Tons of T (&A) aside, fans of *The Shield* show allegiance to one man—Detective Vic Mackey—the toughest cop to head the LAPD's Strike Team. Badass-with-a-badge Vic's got it covered from "the Farm" to "the Barn" in this series. Under his crooked thumb, puttin' an end to gang-bangin' never looked so good!

## JENYA LAND

As big-baller baller Adriana, Jenya jacks into her jungle feva and gives a *grindtastic* girl-astride poon-formance that'll make you *nut!* She makes NBA'er Derrick Tripp *holla like a hound dog in heat* when he returns to his Farmington 'hood to catch up with his homies and front the gangsta life! Humpin' in his hotel room with Adriana *spread-ass-cowgirl* ridin' him to kingdom *cum*, the Strike Team spots the perfect oppor-poon-ity to corner Tripp while Adriana *sits on it* for 'em—so he can't play against Mackey's beloved Lakers! We bet she leaves a *lady-lava lake* on the sheets.

NUDE IN: STEALING CANDY

## PAULA GARCÉS

Pose as a ho to take down a sex-slave ring? For pouty Paula's Officer Tina Hanlon, it's just what a rambunctious, *roomy-assed* rookie's gotta do to get ahead! Tina's also not above *giving head* (to the right superiors) to get hers in Farmington. She's the screw-up every "Barn bull" wants to screw—and her hidden-camera striptease provides the steam that'll make ya *cream*!

## MICHELE HICKS

Former model Michele plays *more-than-the-sweets-between-her-thighs* Mara Sewell-Vendrell, wife of Shane Vendrell, Mackey's partner in/against crime and best bud. She's a pain in Vic's ass since she takes Shane from him, hates Vic's guts—the usual buddy's-wife bull. But tough-titty tomboys who like dirty money ain't to be messed with—shield or no shield!

## NICKI MICHEAUX

As Trish George, Nicki takes it *all* in the line of duty—and gets her big, black, *brickhouse-booty* into shady *sin-tuations*. Undercover and working for the Farm's Decoy Squad, she snorts coke, gets "*cocked & loaded*" by a would-be killer, and lets him give her a beatdown—all in a day's work! She macks on Mackey and wouldn't mind gittin' some *Vic-dick* any ol' time!

**NUDE IN: THE RANCH**

# RESCUE ME

Judging by what goes on (and who goes down!) on FX's thrill-a-minute, hilarious and yet moving series, *Rescue Me*, New York's Bravest get laid—a lot. Chicks can't resist the clit-stim turn-on of turnout gear—much less guys who put their lives on the line to save others. Firefighting's never been hotter, and hoses are pumpin' away with Tommy Gavin on duty!

## CALLIE THORNE

If you like needy, sexy, filthy-mouthed Italian-American broads who can never get enough cock—and never stop being a pain-in-the-ass-with-a-juicy-bubble-but—Callie as Sheila Keefe is your glass of red wine in every intoxicating sense of the metaphor. The widow of Tommy Gavin's (Denis Leary) cousin, Jimmy, who died at Ground Zero on 9/11, she and Tommy have been on-and-off making-the-big-mouthed-ballsy-beast-with-two-backs ever since Jimmy passed. When these two aren't screwin' like crazy, they get off on making each other's lives hell. Heat all around, 24/7!

# ANDREA ROTH

Andrea plays Janet, Tommy's estranged wife and the mother of their kids. A smart blonde who's put up with Tommy's boozing, carousing and crappy shenanigans for years, she still feels something for her firefighter (mostly between her creamy thighs), but can't love him without also hating his guts. Payback-sex with his brother seems to help! *Keep it in the family!*

# PATRICIA VELASQUEZ

Firefighter Franco (Daniel Sunjata) has an open-mouth-insert-own-balls-and-swallow moment when Patricia shows up as his former *cock-warmer*, Nez, and tells him he's a daddy. Since this happens *after* she bangs fellow-fighter Sean (Steven Pasquale), Franco demands a paternity test. Nez is good, frisky puss—but not worth losing your buddy and coworker over!

# SUSAN SARANDON

As Alicia, ever-sexy siren Sarandon is a cougar with an appetite for *younger* meat (like Sarandon in *real life!*). When she lays her heavy-lidded bedroom eyes on Franco in a bar—ballin' the night away as a May/December roll-In-the-hay is a foregone conclusion. What initially begins (and seems) like a torrid fling intensifies as age becomes nothin' but a number.

NUDE IN: PRETTY BABY

SEX-PACKED TV: HOTTEST BABES ON THE BOOB TUBE!

From Cheech & Chong to cheeks & dongs—the bong remains the same! Still, Showtime's **highly addictive** series, *Weeds*, is bolder than bongwater! Maryjane goes middle-class as a wiley widow holds her own in upscale suburbia...by holding! Baker by day and dealer by night, she's the MILF who sells skunk, loves to funk, and knows her way 'round every kinda joint!

## MARY-LOUISE PARKER

As widowed White Widow dealer Nancy Botwin, *munchie-momma* Mary-Louise caters to the *chronic* needs of Agrestic, CA's rich residents in order to maintain her upper middle-class lifestyle. More *ganja babe* than gated-community gal, this "Suburban Baroness of Bud" is the kind of earthy soccer mom men dream of having next door, only, instead of borrowing a cup of sugar—you buy her Acapulco Gold! 4:20-friendly and a fearless purveyor of "milfweed," she fronts as a love-muffin muffin-maker by day, but she's *all woman all the time*...with or without the Purple Haze!

NUDE IN: ANGELS IN AMERICA

## ELIZABETH PERKINS

If ya like yer cougar with claws, then elegant Elizabeth as Celia Hodes, the manic, man-ipulative and image-obsessed prez of Agrestic's PTA, will have you cravin' a *back-scratchin' bang-athon!* With her nerves—and *buns!*—of steel, Celia gets what she wants—regardless of her weaknesses for booze and ballin'! She's your stereotypical rich bitch—with "Jungle fever!"—but this witch's titties are anything *but* cold! She's anti-drug...but *pro-thug!*

NUDE IN: I'M LOSING YOU

## SHOSHANAH STERN

This *baby-bonger* is *bouncy-bangable!* You could even call her "the quiet type," because not only is she deaf in real life, but she plays Megan, the dewy deaf girl who dates Nancy's son, Silas. Silas' uncle's so impressed, he says, "It took me years to learn that slightly defective chicks are the way to go. I once went out with this girl with a baby arm—insane in the sack, plus, when she grabbed my dick with her little hand, it looked gigantic."

## MEITAL DOHAN

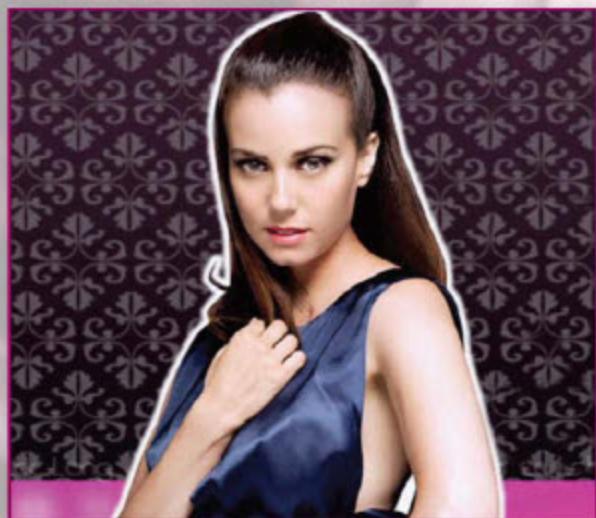

Whip out your Hebrew National sausage—or at least keep it Kosher, cooze-wise—for *mamms-a-luscious* Meital! As rabbinical school principal Yael Hoffman, she's seemingly innocent...till Nancy's black sheep brother-in-law, Andy, becomes her student, gets her in the sack—and discovers her pre-dick-lection for sadomasochism! Undressed, she proves that "The Chosen People" have some of the *choicest* curves in their female contingency!

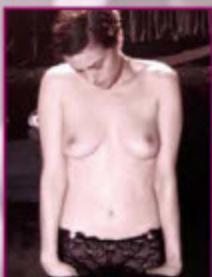

# the L-word

Word on the street is that the latest term for lesbian is "gayelle," as in—"She's gayelle," or, "A gooey galaxy full of gorgeous gayelles with gigantic gazongas!" Showtime's series about "the lifestyle" miniskirts around the issue a tad by referring to it as *The L Word*—which actually only serves to make these dynamic dolls & dykes and their muff-diving milieu all the sexier!

## MIA KIRSHNER

Mia plays Jenny, the straight-girl-in-a-relationship-with-a-dude-who-goes-gayelle...yet occasionally still craves some *gonad games*! A petite pixie with a gamine face and waifish body, as Jenny, Mia explores her inner fever for the *flava* of the *pink taco*, coming (and *cumming!*) out at a Sapphic soirée when a *licky-lady* mistakes Jenny's trip to "the *not-so-little girls' room*" as an invite to *hot tuna heaven!* This first foray into femme-to-femme-finger-fun excites Jenny and she switches from *sausage fests* to *sushi rolls*, strips as "Miss Yeshiva Girl" and *always causes cooze-related chaos!*

## KRISTANNA LOKEN

From *Terminator 3* to *Tit-illating Lezzie*—Kristanna gained 15 pounds of muscle to play the T-X, then let her bangin' bod go curvy to become the *diddle-dream MILF* of "sisterly" sex! She's Paige, a bisexual single mom who has a hot *honey-drippin'-n'-sippin'* affair with Shane, the show's rock-chic, drug-lovin' butch, who sez: "Liquor on the front, poker in the rear!"

## SANDRINE HOLT

"Poker in the rear" is Sandrine's intro-dyke-tion to the hotties-who-doughnut-bump-hotties scene! This Chinese-French beauty plays actress Catherine, who "wins" a *lick-tastic* lover, Helena, in a high-stakes poker game. Alas, hell hath no fury like a lesbian played, so you know Brit-bitch Helena comes for Catherine with more than cummin' on her mind!

## PAM GRIER

The 38DD diva of blaxploitation, *poundcake-moundcakes* Pam and her *Foxy Brown* fierceness define the original independent W-O-M-A-N! As Kit Porter, pro jazz singer, on-and-off boozebag and owner of The Planet café/club, she's the older, wiser earth mama, but not above calling her own baby sis "a pootie-chasin' dog who deserves to be tied down and whupped!"

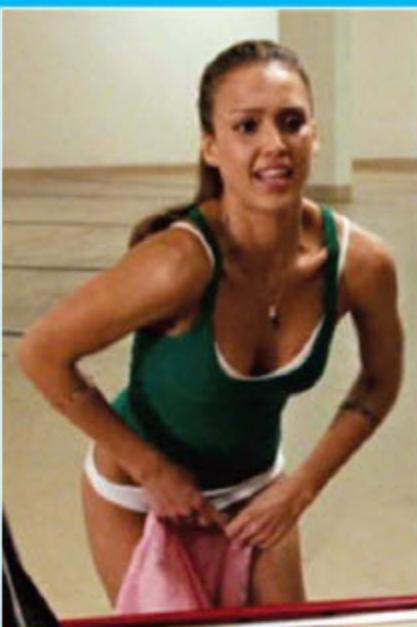

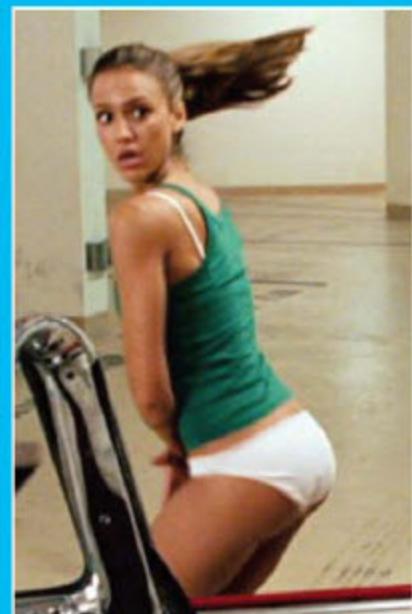

NUDE IN: COFFY & THE BIG DOLL HOUSE

# good luck CHUCK

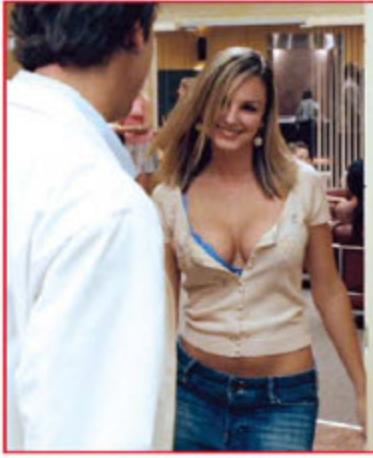

A miable goofball Chuck/Charlie (played by comedian-of-the-moment Dane Cook) has a *big* problem, and yet—we don't feel one bit sorry for him! Seems like every time Chuck meets a girl and bangs her brains out...the *next* guy she meets ends up being the happily-ever-after man of her dreams! Obviously, once he meets cutie-pie Cam (played by very-now-hottie Jessica Alba) he wants to keep her penguin-adorned puss all to himself!

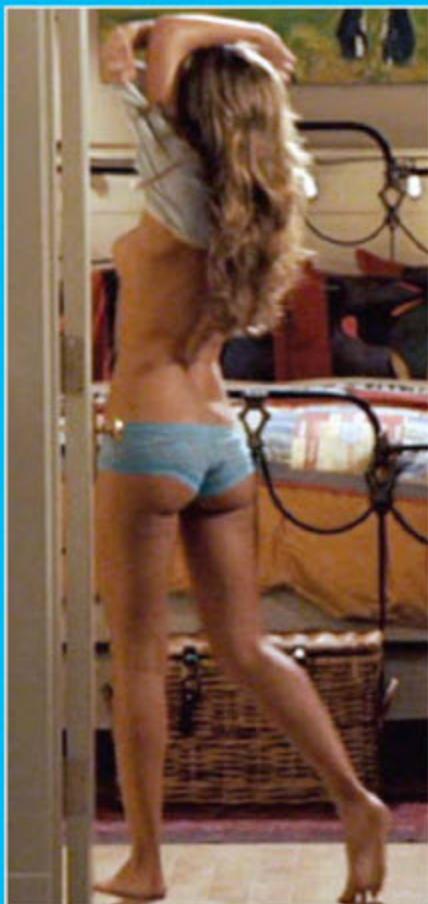

Chuck is a dentist, and even though he spends a lot of time in girls' mouths (God bless him!) he's also an accomplished bush-whacker!

good luck  
**CHUCK**

Deep in his man-heart, Charlie (Cook) only wants Cam (Alba). Until then, though, wheelbarrow-sex and huge boobs keep him sack-isfied!

# ALL ACCESS ARIA!

With Aria, ecstasy cums swiftly behind! We can't get enough of *Danni Presents Aria Giovanni The Hottest* (2006, spread)! One of few *big-boobers* who flaunt *real feels*, she's a sultrier Sophia Loren for our time!

## ARIA GIOVANNI

**BORN:** November 3, 1977, Los Angeles, CA

**SEXY SIGHTINGS:** The dictionary defines an aria as "a striking solo performance"—which makes it *purr-fect* as the name of one of the prettiest, plunkest princesses of solo *puss-formances*...not to mention girl-on-girl *sin-phonies*! Her 100% natural, big, super-soft 34DDs and slightly *chola*-styled brows make Aria the *mmm-body*-ment of every flesh-pleasure imaginable. She never holds back, whether oiling every inch of her erotic curves till they glisten, or making a hottie co-star sigh...by "playing" between her thighs! For more "Arias" for your *boner-baton*, go to [aragiovanni.com](http://aragiovanni.com).

**GINORMOUS-JUGS GIOVANNI:** Above, exotic, unapologetically curvy, Mediterranean sex-siren Aria makes a very strong and stirring case for personal hygiene! Girls just wanna have fun, guys wanna watch—and Aria is a moist master-piece!

## ALL ACCESS ARIA!

### ERICA CAMPBELL

**BORN:** May 12, 1981, Deerfield, NH

**SEXY SIGHTINGS:** Maybe nothing will get you harder in this issue than these *curve-a-luscious* scenes of oiled-up erotic-angel-next-door Erica with her sultrier, older shower-galpal, Aria, as Erica Rose gets her plump, perfectly shaped asscheeks towel-swatted to a lurid shade of rosy-red! Though she's involved with various animal rescue organizations, from the looks of the *leddy lovin'* going on between these two wet-'n'-wanton starlets in *Danni Presents Aria Giovanni The Hottest* (2006, spread), Erica can't complain when in-control Aria woman-handles her succulent sweater-puppies!

**FANNY-PADDLED CAMPBELL:** Punished and pink, Erica's *fleshy flapjacks* look good enough to eat...or to inspire you to beat yer meat! The only thing missing from this Sapphic spectacular? Both girls' landing strips gettin' pud-pounded senseless!

## ALL ACCESS ARIA!

**G. SPOT:** If these pages were scratch-and-sniff (Who knows? *Skin* may add that techo-sense someday!)—you could scratch Rita's bubble-licious ball-bumpers and smell her fave perfume: Marina de Bourbon. It's like George Dickel—for your *dong!*

## ALL ACCESS ARIA!

**LOLLI-PA-BOOB-ZA!**: With her *dong-hardening double-danglers*, Danni's got a "sweet, MILF-next-door" quality that makes her nude scenes all the more appealing. If she invited us over for "a piece of pie and a glass of milk"—we'd *cum* running!

SKIN SIDE

# MIDNIGHT MOVIE

## My Tutor

No midnight self-manhandling is ever cum-plete without a schlocky T&A-packed teen movie from the Eighties, that excess=sex-cess decade when mullets were hot, boobs were mostly real, pubic hair could still be found—and teen heartthrobs made movies with one plot: losing the ol' virginity as quickly—and naughtily—as possible! With all of these details in place, *My Tutor* (1983) is the end-all to teen dudes learnin' the art of ballin'!

Star Matt Lattanzi went on to marry Olivia Newton-John (How's that for an Eighties-born wet-dream-come-true?), but first he had to bear the enormous burden (We kid! We kid!) of tryin' to give his pole its first sex-sauce-slickin' with none other than porn legend, Kitten Natividad! Too bad he was too drunk to tit-f\*\*k!

A busty (35Csl), blond vision of vag-ecstasy to any guy who went through his cherry-poppin' rites in the Seventies and Eighties, Caren Kaye plays Terry Green, the French tutor hired by Bobby Chrystal's (Lattanzi) father to raise his French grades...who ends up raising his dong repeatedly, deep inside her coozy-classroom!

# AN OPINIONATED OVERVIEW OF FLESH-HEAVY CINEMATIC ODDITIES RECENTLY UNLEASHED ON DVD

By Brook Avalon

## BURIED ALIVE: UNRATED (2007)

**NUDES:** Erin Lokitz, Lindsey Scott

**THE SKINNY:** Pesky college students, elaborate pranks and a creepy cabin overlooked by a caretaker played by Tobin Bell a.k.a. "Jigsaw" of the *Saw* movies—what could go homicidally wrong? *Buried Alive* (2007) hails from a rich tradition of fright flicks such as Linda Blair's *Hell Night* (1981), wherein campus wiseacres rouse the ire of ghoulish forces and, here, the ghost even sports an axel. Another admirable retro-element of *Buried Alive* is sexy coeds digging delicious boobies out of their shirts on camera!

BURIED ALIVE: UNRATED

## DRACULA'S DIRTY DAUGHTER (2000)

**NUDES:** Alyabeth Clements, Gentle Fritz, Kellie Brown, Diane Skiba

**THE SKINNY:** The original *Dracula's Daughter* (1936) remains stunning for its time due to the unspoken lesbian subtext. Softcore super-studio Secret Key Motion Pictures' fresh take on the timeless tale, *Dracula's Dirty Daughter* (2000), explores similarly sapphic themes, only it doesn't bother with any kind of subtext. All the bared flesh and girl-girl body-part sucking is out in the open and fantastically nonstop.

**EXTRAS:** Behind-the-scenes feature, cast auditions, trailers

**BUY IT:** SecretKeyMotionPictures.com

DRACULA'S DIRTY DAUGHTER

## A FEAST OF FLESH (2007)

**NUDES:** Amy Lynn Best, Zoe Hunter, Lesley Vernet, Rachelle Williams

**THE SKINNY:** Filmmaker Mike Watt (not the punk-rock bass-player) directs his Amy Lynn Best as an undead whorehouse madam in the vampire-hooker hybrid, *A Feast of Flesh* (2007). Watt also appears on screen as a platoon commander from the Irish Republican Army. Instead of battling British forces, though, these blokes from the IRA must contend with a lot of hot, plasma-hungry T&A. *Feast of Flesh* is an action-comedy-horror blowout that will leave more than just your mouth watering.

**EXTRAS:** Director and producer commentary, making-of featurette, bloopers, trailers, short subject

A FEAST OF FLESH

## MOUNTAIN OF THE CANNIBAL GOD (1978)

**NUDES:** Ursula Andress, Luigina Rocchi

**THE SKINNY:** *Mountain of the Cannibal God* (1979) sets Ursula Andress wild and free (of clothing) in the jungles of New Guinea, as she plays the wife of an explorer looking for her husband after his expedition disappears. Turns out that there's a reason why he fell out of touch—because he fell into a giant pot of the locals' soup! Ursula and Stacy Keach battle their way through the Green Inferno with hard-chomping natives in hot pursuit, and sweltering nude scenes piling up like bones after the tribesmen's picnic.

**EXTRAS:** Director interview, trailer, galleries, bios

MOUNTAIN OF THE CANNIBAL GOD

## NATASHA (2006)

**NUDES:** Algina Lipskis, Cristina Chirila, Jenna Harrison

**THE SKINNY:** *Natasha* (2007)'s title character is a Russian beauty who gets murdered by gangsters. Natasha's stripper-cousin Anna (Cristina Chirila) then assumes her dead relative's identity and hightails it to England, where she poses as an exchange student staying with a vicar's family. Christine (Jenna Harrison), the clergyman's luscious teenage daughter, develops an intense lesbian crush, which gets delightfully acted upon. The gals' good times get interrupted, though, when the mob tracks the faux-Natasha down and gives chase—but along the way you'll be able to rub more than one out to the movie's parade of naked Euro-beauties!

**EXTRAS:** Unrated trailers

NATASHA

## **NIGHT OF THE LIVING DEAD 3D (2006)**

**NUDES:** Cristin Michele

**THE SKINNY:** It's tough to improve on a masterpiece, but *Night of the Living Dead 3D* (2006) does have two unique advantages over the 1968 original. First, it's in 3D. Second, there's awesome female nudity—and that's in 3D, too! Another fresh ingredient tossed into the familiar tale of walking corpses attacking a farmhouse packed with frightened humans is horror icon Sid Haig as an undertaker-turned-zombie-slayer. The true killer, though, is natural-bosomed, fuzzy-bushed Cristin Michele, whose three-dimensional all-points nudity comes right atcha! And you can do the same to her!

**EXTRAS:** Four pairs of 3D glasses, commentary, three making-of featurettes, 3D gallery, trailers, TV spots, radio spots

**NIGHT OF THE LIVING DEAD 3D**

**SPECIES: THE AWAKENING**

## **SPECIES: THE AWAKENING (2007)**

**NUDES:** Helena Mattsson, Marlene Favela

**THE SKINNY:** Swedish sexbomb Helena Mattsson impressively takes up the nymphomaniacal naked-alien role in *Species: The Awakening*, the latest installment in the sexy sci-fi series. Helena plays Miranda Hollander, a college professor who learns that she was whipped up in a desert lab using a mixture of human and spaceman DNA. While in search of her test-tube-of-origin, Miranda transforms into a wild she-creature who needs to mate...and then kill immediately afterward. *Species: The Awakening* is alarmingly hot.

## **SPLATTER BEACH (2007)**

**NUDE:** Erika Smith

**THE SKINNY:** Twenty years after their cult favorite *Splatter Farm* (1987), filmmaking brothers Mark and John Polonia return with the sanguinary seaside-screamer, *Splatter Beach* (2007). Erin Brown (a.k.a. the once-and-forever Misty Mundae) portrays a resident of Sea Bright Beach who attempts to warn hot-weather visitors that they're in danger of falling prey to surf-dwelling monsters, who have also laid eggs all over the shoreline. Creatures attack, victims scream, various messes are made, and Erika Smith supplies a naked eyeful. Splatter away!

**EXTRAS:** Director commentary, music videos, making-of featurettes, cast and crew profiles, trailers, bonus feature film (*Hallucinations*), CD soundtrack

**BUY IT:** [CampMotionPictures.com](http://CampMotionPictures.com)

**SPLATTER BEACH**

**WRONG TURN 2: DEAD END**

## **WRONG TURN 2: DEAD END (2007)**

**NUDE:** Crystal Lowe

**THE SKINNY:** The original *Wrong Turn* (2003) tracked teens who followed some bad directions in the Deep South and ended up at the mercy (or lack thereof) of flesh-devouring mutant hillbillies. *Wrong Turn 2: Dead End* (2007) provides a fresh spin on that setup by tossing reality-TV show contests into a backwater crawling with cannibalistic yahoos. The twist, though, is that the competitors include Henry Rollins, and they're more than prepared to do battle with the homicidal hayseeds. *Wrong Turn 2* is also a perfect place to turn on to Crystal Lowe's topless two, and those are all right!

**EXTRAS:** Three making-of featurettes, cast and crew audio commentaries, trailers
